### SHARED WITH US

*I joined OLLI (then the Roundtable) in January 2000, and by the fall semester was co-leading a workshop called News of the Day. I then transitioned to Op-Ed which I have been leading ever since. I was president of OLLI from 2004-2005 and had a close and continuous relationship with the Directors of OLLI and the former Dean of SPD of which we are a part. Later, I observed all the presidents of OLLI and the directors appointed by SPD. I have been in OLLI now for 20 years.*

*I am delighted to tell you that we could not have been more fortunate than to have Breanne Delligatti as our Director. She has initiated programs and procedures that nobody before her even thought about. At the same time, she has been courteous and helpful to any of the 1,000 members who had a problem they needed addressed, or required assistance from the OLLI office.*

*As a former manager in my pre-retirement position, I know how important it is for someone to be commended for the wonderful job they do and for the people around them to know that the person's performance has been exceptional. So, this is being written so everyone can appreciate how fortunate we are to have Breanne Delligatti as our own.*

### Set Up Your Tech

Check your Wi-Fi, test your video and audio, and get familiar with the software before entering the meeting.

### Communicate with the Host

Zoom includes buttons for raising your hand, responding yes or no, asking host to adjust speed, requesting a break, and more.
